Box 1450, Alexandria, VA 22313-1450, on the date shown below.

Dated: 9-1-06

By: Clan

Dear Sir or Madam:

I, Samuel J Contreras, hereby declare and state, under penalty of perjury,  
that: (name)

1. I am an individual having expertise in producing and/or installing mosaics. My qualifications include:

Sales and Design 15 year ARTIST  
AND Installation Expertise IN MOSAICS

2. I am familiar with the U.S. Application No. 10/815,892 ('892 Application) corresponding to Publication No. US2005/0217192 of October 6, 2005, as well as the listing of claims submitted to the Office in an Amendment and Response dated May 2, 2006.

3. From the Specification and Drawings of the '892 Application, I understand how to make and use the apparatus of Claims 1, 3-9 and 26 in the methods of Claims 10-16 to produce at least one mosaic tile sheet. Specifically, I understand the following:

A) the grid of the apparatus as presently claimed comprises a plurality of slots suitable for ordering a plurality of tiles (2); (initialed)

B) the screen of the apparatus as presently claimed comprises a plurality of holes corresponding to the plurality of slots of the grid, the screen is made of a rigid material and is suitable for supporting the plurality of tiles (2); (initialed)

C) the tank of the apparatus as presently claimed comprises an open end and an outlet, when the apparatus is assembled, the screen and the grid cover the open end of the tank (2); (initialed) and

D) the vacuum pump of the apparatus as presently claimed is connected to the outlet of the tank, the vacuum pump is suitable for applying negative pressure to the open end of the tank (2). (initialed)

4. I disagree with the statement that "one skilled in the art would not be able to make any sense from this specification and sketchy drawings" (2). (initialed)

5. I further declare that all statements made herein are of my own knowledge, are true, and that all statements are made on information and belief that are believed to be true; and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under § 1001 Title 18 of the United States Code, and that such willful statements may jeopardize the validity of the application of any patent issued thereon.
